We will match the amount granted to you any of the three following sport grants agencies:

- KidSport
 - <http://www.kidsportcanada.ca/british-columbia/apply-for-assistance/>

Simply provide proof of the amount of their grant, including the name of the child and program registered in and we will apply the correct funds to your registration up to the total registration you're signed up for. For example, if you are signed up for a \$300 program and Canadian Tire Jump Start Program gives you \$200, we will match \$100 to fully pay for your registration. If it's \$150, we will match \$150 to fully pay for your registration. If it's \$100, we will match \$100 and you will only have to pay \$100 for a full season.
